1. Review Cycle

Performance is reviewed twice a year. The mid-year review takes place in October and the annual review in April. Employees set quarterly OKRs with their managers at the start of every quarter.

2. Rating Scale

Rating	Label	Meaning
1	Needs Improvement	Performance is well below expectations for the level.
2	Partially Meets	Meets some but not all expectations.
3	Meets Expectations	Consistently delivers what is expected for the level.
4	Exceeds Expectations	Regularly delivers more than expected.
5	Outstanding	Exceptional impact beyond the level; top 5% of the organisation.

3. 360-Degree Feedback

360-degree feedback from peers and reports is collected for employees at level L4 and above. Feedback is anonymous and is summarised by HR.

4. Annual Bonus Link

The annual performance bonus is paid as a percentage of the target bonus, based on the April rating:

Rating	Bonus Payout
1 or 2	0% of target bonus
3	100% of target bonus
4	120% of target bonus
5	150% of target bonus

5. Promotions

To be eligible for promotion an employee needs at least 18 months in the current level and a rating of 4 or above in two consecutive review cycles. Promotions are effective from 1 May.

6. Performance Improvement Plan (PIP)

An employee rated 1, or rated 2 in two consecutive cycles, may be placed on a 60-day Performance Improvement Plan. The PIP sets clear goals and has a check-in every 2 weeks. Failure to meet the PIP

goals may lead to action under the Disciplinary Procedure (HR-007).
